Boating Is a Blast!

I have been boating since 1996 and it has been a blast - from running the whitewater to fishing with friends to taking the grandsons tubing! I started with an older, used jet boat and then upgraded. Whatever your type of boating, my experience on the water gives me the knowledge and expertise to insure your treasure properly. I can even issue polices that guarantee the “agreed value” of your boat in advance. That way there is no question AFTER a claim as to what is the true value of your boat.

We insure all kinds of boats - the true whitewater jet boats, fishing boats, runabouts, sailboats, tournament type ski boats, personal watercraft and even yachts.

Boat Insurance options to consider - Don’t forget besides physical damage we can provide coverage for watercraft liability, uninsured boater, on-water towing, fuel spill liability, wreckage removal, personal effects, fishing equipment, boat trailers and more.

We have stand-alone policies or get an extra discount when combined with your auto or home insurance. For smooth sailing and peace of mind give me a call to discuss your boat insurance needs this summer.

Happy Birthday America!

For our 27th year, AMERICAN INSURANCE invites you to join us in Adams Field at Clarkston High School for the Independence Day Fireworks Celebration.

Bring your lawn chairs and blankets to sit out on the grass and enjoy a relaxing evening. The whole family will enjoy the live entertainment and concessions are available. Plus, you will have the best seats in the valley to see our spectacular aerial fireworks display at 10pm.

America has been a special light of freedom and independence for 236 years. Independence Day celebrations serve as a reminder to every generation of the sacrifices still being made for the cause of freedom around the world. All of us at AMERICAN INSURANCE appreciate those who have served or are serving in our military and those who serve us as our police, fire and emergency services. We are committed to keeping our local celebration alive for the enjoyment of the entire valley.
A Love of the Classics!

I’ve had a love affair with vintage cars for most of my adult life. It grew out of necessity (fixing my cars) and turned into a hobby by my thirties. Cars, trucks - anything old - is gratifying to restore, although I’m not sure you ever really ‘finish’ one. There’s always more to do.

I’ve restored about 10 cars over the years and they all present different challenges. My 55’ Chevy Bel Air Hardtop (pictured) was purchased in 2000. I had just completed a 65’ Chevelle hardtop and was looking for a new project. At the time, it looked like it needed some paint and minor mechanical - Ha! Two and a half years in the shop for the body work, powertrain, and upholstery, before it ever hit the street. Of course, I continue to work on it to this day.

Oh, one last thing, be sure your classic is properly insured. Give me a call and I’ll make sure your ‘baby’ and your investment have insurance coverage tailored for your rod or classic. We offer an “agreed amount” policy so you can drive worry free.

See you on the road or at a car show. Have a fun summer! Mike Everett - Agent 45 Years

Congratulations Philip - New Designation

“SPOTLIGHT” Certified Insurance Counselor

AMERICAN INSURANCE congratulates Philip Sullivan for attaining the designation of CIC – Certified Insurance Counselor. By earning and maintaining the CIC designation, Philip has demonstrated professional competence through a five year series of rigorous written examinations focusing on all major fields of insurance, agency operations, and insurance management. The formal training required to become a CIC includes 100 classroom hours and the successful completion of five comprehensive exams, with an annual update required to ensure that CICs maintain their edge as the most capable and current insurance practitioners in the industry.

Again, congratulations to Philip Sullivan, CIC.
