Subject: Helen’s the best...

A quick note to tell you how pleased we are with the great service we get from Helen. She is so on top of things, and her follow-through is impeccable. We make more changes to our policies than most people, between buying and selling things and coming and going from the U.S. to Mexico, and she is always cheerful and accommodating when we call. What a great person to have on the front lines of the business :)

Cheers,
Terri Myers

The older you get, the tougher it is to lose weight, because by then your body and your fat are really good friends.

There is no pleasure in having nothing to do; fun is in having lots to do and not doing it.
