

Dear all. My thoughts and prayers are with you. Dad, Grandpa, Brother, son - he was one of the best. - His weekly letters home kept us up to a lot of the "goings on" and let us know about some of his life + yours also. I have certainly missed those jottings and jokes, Frank, Sally, or "Bud" as we in Iowa knew him was a special person. Always ready with a smile, encouraging word, witticism etc.

May you continue the good work he started. We think of you often.

Love,

Aunt Nancy
