

Interlink Volunteers!

Building the Community We All Want to Age Into

“Interlink ‘links’ hands and hearts with trusted volunteers, helpful programs, and community resources for seniors in the Lewis-Clark Valley.”

Programs

How We Help Our Community

Interlink programs are designed to provide independence, safety, accessibility, community support, and connections for seniors' quality of life.

Senior Transportation

Volunteer drivers provide free safe, reliable rides to/from medical appointments, pharmacies and grocery stores, and other essential errands – helping enrolled clients stay healthy and independent.

Home Safety & Accessibility

Volunteer free installation of ADA ramps, grab bars, handrails, and minor safety improvements helps prevent falls and accidents at home.

Community Support & Connection

Friendly visits, resource referrals, and support services that reduce isolation and strengthen community connections.
